8th TRIMO RESEARCH AWARDS

FOR THE BEST UNIVERSITY THESES, EXPERT WORKS, MASTERS' AND DOCTORAL THESES

in Bosnia and Herzegovina, Bulgaria, Croatia, Czech Republic, Hungary, Macedonia,
Montenegro, Poland, Romania, Serbia, Slovenia and United Kingdom

FIELDS OF RESEARCH

- ARCHITECTURE,
- CONSTRUCTING / CIVIL ENGINEERING,
- MECHANICAL ENGINEERING.

THE PROCESS OF SELECTION

Committee for the research work shall submit the received research works to the experts in different fields, to make a review and together with them appraise and award the best works. Prize-winners shall receive money award. Furthermore, summary of their work shall be published in brochure Trimo Research Awards.

The works, considering the up-to-date achievements of the science, new approaches and solutions, enabling Trimo to use them in the practical work, and of which results shall contribute to further success of the company, will be reviewed.

The prize-winners will be informed of winning the award until end of April 2009. Precise date and place of prize-giving ceremony will be also published until end of April 2009.

The prize-winners should give one copy of the originally bound work to Trimo and present it in public.

APPLICATION

The candidates may apply not later than **February 16th, 2008**.

The committee shall consider the submitted works, which have been efficiently appraised by the adequate committee, within the period from January 1st 2008 to December 31st 2008.

The application should contain the application form, written recommendation of the mentor, originally bound research work in English or native language, with summary in English language. Brief summary in English should contain main stresses of the work (2000 signs) and should be enclosed in printed and electronic form. Trimo will publish the summary in brochure Trimo Research Awards.

The candidates apply by sending a completed application form and the originally bound university thesis, expert work, masters' or doctoral thesis together with enclosures until **February 16th, 2009**, to the address:

TRIMO, d. d., Committee for the research work
Prijeteljva cesta 12, 8210 Trebnje, SLOVENIA
